

NJWLE

“WORKING TOGETHER TO STRENGTHEN RECOGNITION OF FEMALE ACHIEVEMENTS & CONTRIBUTIONS”

Dear Dr. Caesar DePaço,

On behalf of the New Jersey Women in Law Enforcement (NJWLE), it is with immense gratitude and deep appreciation that we formally accept your extraordinarily generous donation of \$15,000 in support of our partnership with The Justice Academy for the upcoming Justice X Conference.

Your leadership, vision, and unwavering commitment to those who serve others continue to set a remarkable example. Through your generosity, and the support of Summit Nutritionals International and the DePaço Foundation, you are not only investing in a conference, you are investing in the future of law enforcement, in the development of its leaders, and in the empowerment of the women who serve within it.

As the primary sponsor of the Justice X Conference, your contribution will directly enable NJWLE to expand scholarship opportunities, ensuring that officers, particularly women, have access to this exceptional, nationally recognized training experience. Your support helps remove barriers by opening doors for professional growth, leadership development, and meaningful engagement with some of the most impactful voices in policing today.

This partnership represents far more than financial support; it reflects a shared commitment to excellence, resilience, and progress within our profession. Your belief in our mission strengthens our ability to deliver high-quality training and to create lasting opportunities that will resonate well beyond this event.

NJWLE is proud to stand alongside you in this endeavor, and we are honored to recognize you as the largest sponsor of the Justice X Conference. Your generosity will have a lasting and measurable impact on those who attend, the agencies they represent, and the communities they serve. Your leadership and generosity will be prominently highlighted at every level of the conference, ensuring that all attendees fully recognize the extraordinary impact you, Summit Nutritionals International, and the DePaço Foundation have in shaping the future of law enforcement and supporting those who serve.

As a registered nonprofit organization, NJWLE acknowledges that your contribution may qualify as a tax-deductible charitable donation to the extent permitted by law. Our Federal Employer Identification Number (EIN) is **20-3932315** for your records.

Dr. DePaço, thank you for your continued leadership, your steadfast support of law enforcement, and your extraordinary generosity. We are sincerely grateful for your partnership and look forward to a successful and impactful Justice X Conference.

With the highest respect and appreciation,

Heather Glogolich
